SMARTSTART

PRE-MARITAL COURSE

FOR COUPLES PLANNING TO GET MARRIED OR
THE NEWLY WEDS (MARRIED LESS THAN 5 YEARS)

“Marriage is one man with one woman
living exclusively together for life
It is the fusing of two lives,
a meeting of two paths
a redirecting of two routes
It is two streams running into one river
or two rivers into one sea
There is no pretence
no holding back
no false impressions
and no deceit
Each lifts the other
supports the other
encourages the other
and forgives the other
So that together, two shall become one”

Quotation from “*Love and Marriage*”
by Jennet Kidd

A fulfilling relationship between the husband and wife provides a solid foundation to build loving and happy family. It is necessary then, for couples contemplating marriage to be equipped with the knowledge, skills and guidance before embarking on the marriage journey.

To this end, the *Pre-Marriage SMARTSTART* course has been developed to provide the basic knowledge, guidance and skills for a fulfilling and happy marriage and family.

COURSE OBJECTIVES

In attending the *SMARTSTART* course, the *newly weds (married for less than 5 years)* and *those planning to get married* will be provided:

- With information about challenges in their marital life
- With the necessary knowledge, guidance, skills and tips
- A neutral platform to better understand each other’s needs, wants, expectations etc.

COURSE CONTENT

Session 1: Getting To Know You

Session 2: Discovering Our Expectations

Session 3: Facing Conflicts and Challenges

Session 4: Remember It’s Good To Talk

Session 5: Building Sexual Intimacy

Session 6: Finance And The Family

COURSE FACILITATORS

Licensed counsellors and certified facilitators for the government’s *SMARTSTART Pre-Marriage Education*.

“Basic and **practical**. Knowledge and skills taught in this course helped us to anticipate what to do to **enrich our relationship.**”

– Max & Pauline, June 2008

“We benefited from the **structured discussion** on relevant issues in a marriage. The course provided the opportunity for us to openly check our perspectives with one another. The workshop also helped us put the most the important issues of marriage into perspective.”

– Michael & Andrea, June 2008

“We can better **understand each other’s feelings, views and expectations**. We have gained knowledge on conflict management. Our communication has improved and our relationship is strengthened.”

– Budiyanto & Vivianne, Nov 2008

“This program has helped us realise the importance of understanding myself and my partner. It has also helped us understand more about marriage and **building family relationship.**”

– Ravivarman & Maryann, June 2009

“This course gave us a more in-depth knowledge on marriage. It certainly helped us to **talk more openly** with each other. Our communication has improved..”

– Julian & Louise, June 2009
